What is Vocal Music?

The degree program in Vocal Music is designed for students seeking a professional career as a vocalist. The curriculum is designed to provide students with proper training in singing, acting, and directing musical performances.

Vocal Music at Kyung Hee

The Department of Vocal Music was founded in 1962 as the Department of Music and became Department of Vocal Music in the College of Music in 1963. Its goal is to educate students to develop their abilities and provide them with a variety of musical performances. It trains students to obtain valuable perspective about life and the world through beauty. It has educated artists who play important roles in creations of the cultural world, which is the mission of Kyung Hee University.

Careers and Graduate Destinations

The Department of Voice at Kyung Hee University, one of the best voice departments in Korea, provides students with a specialized training program to make them prominent artists. The Department especially concentrates its resources to vocalization and opera acting education. Starting with the Kyung Hee Family Music Festival in 1965, it has been holding a variety of music events such as national music concours for high school students, operas, Kyung Hee Cantata, concert tours, opera concerts, and concerts with foreign sister universities.
